Date: 18.09.2023

B.Com. Semester - III (2023-2024) classes for both Morning and Day sections will commence on and from **22.09.2023 (Friday) (Routine provided)**.

It is time-tested and established that the performance of students during their course of studies are determined by their attendance. We believe that good attendance leads to good results leading to maintenance of the standard of our Institution. All the students are required to attend all academic sessions and to take responsibility for their own learning.

It is felt necessary to bring to the notice of students at the commencement of the semester itself, about the attendance requirement as per the regulations of University of Calcutta.

As per the University norms, a student should secure a minimum of 75% attendance of the total number of classes held during the semester failing which he / she will be detained from appearing in the Internal Examinations, Semester-End theoretical (and practical) Examinations.

In view of the above mentioned requirement, students are advised in their own interest to comply with the attendance requirement to avoid the **consequences of shortage of attendance**.

It is clarified further that if a student is short of attendance as per the University norms he /she will be debarred from appearing in the Internal Examinations, Semester-End theoretical (and practical) Examinations.
